Never forget your passwords again with this handy little Password Journal This diary for Internet Security gives you a convenient place for you to safely store all your passwords and login information. This log-book is a proper size so that you can stick it with your notebook computer, tablet, desktop, or any other device you may be using. This diary allows you to write the site address (like Facebook, Google, Pinterest, Geico, E-trade, Amazon, etc) and then write your password and the date you made it. This way, you will be able to see when it s time to update your password. Also, there is room for notes (which could be useful for back-up security questions or more). Trust me, I know that it is becoming more complicated to keep track of everything. This book should eliminate some of that headache. Also, for quick reference there is an editable Table of Contents where you fill in the Site Name and Page Number. With this handy Password Journal you will never be stuck scratching your head...
