MORE HAUNTED TENNESSEE

To get **More Haunted Tennessee** eBook, make sure you access the hyperlink below and download the document or gain access to other information which are have conjunction with MORE HAUNTED TENNESSEE ebook.

Overmountain Press, U.S.A., 1999. Soft cover. Book Condition: New. No Jacket. More creepy-crawly tales of beasties, ghosties, haints, boogers, and things that go bump-in-the-night from the Volunteer State. Folklore collector Charles Edwin Price has assembled a cornucopia of bone-rattling tales to excite even the most bucolic senses. Here you will find stories of horrible creatures guarding hidden treasure, ghosts that foretell the future, spooks without heads, and monsters so horrible that the mere sight of one causes instant death. There are chickens without heads that continue to crow, ghost trains speeding through the night, the mystery of booger tracks in the cellar, a haunted closet, a snipe hunt that backfires, and a giant fish that catches the fisherman instead of the other way around. These are tales that you will like to read on dark nights, around campfires, or in shadowy places where the sun seldom shines. So go ahead, if you dare. Open this book and prepare yourself for a real fright. After all, these are real ghosts that dwell in your own backyard. [TOP0238].
