Yet, before he has time to understand the ugly truth about his wife, he is abducted once again during a violent commando raid on the island and is rushed aboard a submarine for questioning - about his wife, and a long forgotten letter from his dead mother. Garrett learns very quickly that he is in deep trouble, but has no clue as to why he is being accused of involvement in an international terrorist organisation. Later however, after weeks of interrogation and beatings in a desert prison, all he knows with any degree of certainty, is that he will be lucky to stay alive for very much longer.
