Brand New Book ***** Print on Demand *****.Excerpt from Historical Sketch, 1882-1903: By-Laws Officers The Fairhaven Improvement Association was formed in the fall of 1882 and is therefore approaching its majority. It is incorporated under the laws of the state: and holds real and personal property to the amount of several thousand dollars. The first work of the association was the setting of shade trees: of which two thousand and over, including those planted by Mr. Rogers, have been set out along the several streets of the town. This work was followed by securing the control of Fort Phoenix, putting it in repair and adding to its natural attractions, much to the satisfaction of all frequenters of this beautiful spot. The old Burial Hill cemetery of Oxford, where John Cooke the first white man to settle in Fairhaven and the last male survivor from the passengers of the Mayflower lies buried, was next purchased: to mark the grave of this, one of the most distinguished citizens of the town, the Association is now erecting a monument as simple and rugged as the pioneer himself. Woodside cemetery, also in Oxford, has been cared for, and the abandoned village cemetery at the end of William street graded, surrounded with an ornamental stone wall, and popularly named Willow park.
