Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

(Mrs. Jacquelyn Gutmann)

SENTENCING GOALS, CAUSAL ATTRIBUTIONS, IDEOLOGY, AND PERSONALITY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Sentencing Goals, Causal Attributions, Ideology, and Personality It is generally accepted that decisionmakers in the criminal justice system (e.g., judges, parole boards, probation officers) have a great deal of discretion in order to tailor correctional resources to individual offenders. However, this discretion has apparently created the conditions for widespread disparity in that similar cases are treated differently by different decisionmakers. The recent policy movement toward determinate sentencing is a response to a decade of reports of judicial sentencing disparity (e.g., Frankel, 1973; Partridge Eldridge, 1974). For example, in his study of Canadian judges, Hogarth (1971) concluded that, one can explain more about sentencing by knowing a few things about a judge than by knowing a great deal about the facts of the case (p. 350). Similar results were well-known even thirty years earlier (Gaudet, 1938; McGuire Holtzoff, 1940). The major purpose of this paper is to develop a framework for understanding individual differences among criminal justice decisionmakers and the implications of these differences for sentencing decisions. Research has generated dozens of individual differences associated with criminal justice decisions and decisionmakers (e.g., Brodsky Smitherman, 1983). About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition.
