

Sexuality and Severe Autism: A Practical Guide for Parents, Caregivers and Health Educators

By Kate E. Reynolds

Jessica Kingsley Publishers, Inc, 2013. Softcover. Book Condition: New. Sexual health and sexuality can be difficult subjects for parents and caregivers to broach with autistic children, made more challenging when children are at the severe end of the autism spectrum. Some parents may even question the validity of teaching sexuality to those who are severely autistic. This practical handbook guides you through the process of teaching about sex and sexuality, answering all of the most crucial questions, including: Why is it necessary to teach this subject to my severely autistic child? When is the right time to start talking about these issues? How detailed and explicit should I be? What methods are most appropriate? It addresses male and female issues separately and covers public and private sexual behaviors, sexual abuse, cross-gender teaching and liaising with school, in addition to the more obvious areas such as physical changes and menstruation. Somewhat oriented toward British contexts, this will nevertheless be a useful guide to teaching about sexual issues for any parent, caregiver or health educator caring for a person on the severe end of the autism spectrum. This handbook guides the reader through the process of teaching about sex and sexuality to...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
