The Rocket City Rednecks' New American Space Plan

By Travis S. Taylor, Stephanie Osborn

Baen Books. Paperback. Book Condition: new. BRAND NEW, The Rocket City Rednecks' New American Space Plan, Travis S. Taylor, Stephanie Osborn, Meet the Rocket City Rednecks. They're five "backwoods" guys from the rocket city: Huntsville, Alabama, home to NASA's Marshall Space Flight Center and the birthplace of the U.S. Space Program. Sure, they love to shoot stuff and drink beer, and one of 'em lives in a trailer, but with a family tree full of NASA rocket scientists (not to mention their own PhDs and advanced degrees), they aim a little higher - like using homemade moonshine to fuel a rocket! Now, in typical laidback style, Dr. Travis S. Taylor, leader of the crew, delivers the goods on how America can return to space exploration and manned space flight - and can probably do so with common items found in a typical redneck backyard. What's needed is a good old "try anything" attitude, a bit of gumption, and the spectacularly entertaining backyard science that's the Rocket City Redneck specialty.
