The Diet Journal has been designed for flexibility; you don't have to fill out every single area marked if you don't want to . just try to be consistent so when you review your entries over a week (or month or longer), you have information that can help you understand your eating behavior and how you are -- or should be -- changing your relationship with food. If this is your first attempt at getting fit or if you've had trouble getting or keeping weight off in the past, the Diet Journal will help you achieve the results you want and deserve. And, with the low-key cover and handy size, your diet will be nobody's business but your own. There are 5 books in this series of Food Logbooks with covers that understate their function...
