FRANTZ FANON: TOWARD A REVOLUTIONARY HUMANISM

[DOWNLOAD](#)

Ohio University Press, United States, 2015. Paperback. Book Condition: New. 407 x 208 mm. Language: English . Brand New Book. Christopher Lee has written a delightfully compelling introduction to Frantz Fanon. Well-researched and thoroughly grounded, Lee s study admirably situates Fanon in the broadest historical context, while subtly explaining Fanon s powerful legacy today. This book taught me many things, revealing in intriguing ways the works of a black thinker from Martinique who so passionately embraced the Algerian Revolution, and so ardently desired to be embraced by it. -Henry Louis Gates, Jr., Harvard University Psychiatrist, philosopher, and revolutionary, Frantz Fanon is one of the most important intellectuals of the twentieth century. He presented powerful critiques of racism, colonialism, and nationalism in his classic books, *Black Skin, White Masks* (1952) and *The Wretched of the Earth* (1961). This biography reintroduces Fanon for a new generation of readers, revisiting these enduring themes while also arguing for those less appreciated- namely, his anti-Manichean sensibility and his personal ethic of radical empathy, both of which underpinned his utopian vision of a new humanism. Written with clarity and passion, Christopher J. Lee s account ultimately argues for the pragmatic idealism of Frantz Fanon and his continued importance today.
