Reviews

This publication is worth getting. it was writtern really flawlessly and valuable. Its been designed in an exceedingly easy way and is particularly only right after i finished reading this ebook through which in fact altered me, affect the way i believe.

(Lester Ebert)

MY PILGRIMAGES TO AJANTA & BAGH

1986. Hardcover. Book Condition: New. 243 This volume comprises the fascinating story of an Indian artist's experiences in the Ajanta and Bagh caves which house the most wonderful fresco Paintings of Ancient India, some of them dating back to pre-Christian era. The wall paintings of Ajanta have been the subject of elaborate and sumptuous works like those of Griffith and Yazdani. These voluminous publications are for scholars and specialists but far beyond the REACH of general readers. The present volume serves, to a great, extent, the purpose of the latter group. The author, Sri Mukul Chandra Dey, one of those artists who sought to revive the art of India in Indian spirit, went to Ajanta and Bagh in the spirit of a pilgrim. The present work embodies his experiences during these pilgrimages and his appreciation of those masterpieces of Indian art, unsurpassed till today. The illustrations in this Book are partly from the copies the author prepared during his stay near the caves and partly from photographs taken earlier by others. The author have selected the illustrations with great Aesthetic sense. In a chapter on the life of Gautama Buddha, the author has provided his readers with the interpretations of a number of Buddhist paintings in Ajanta. The vivid descriptions of the site and of the carvings of the caves in a wonderful lucid Language literally overwhelms the reader and make him feel as if he is in the surroundings. The work is A Good piece of literature, a fascinating travelogue and a well-written work on Indian art by an artist. The author, Sri Mukul Chandra Dey, one of those artists who sought to revive the art of India in Indian spirit, went to Ajanta and Bagh in the spirit of a pilgrim. The present work embodies his experiences during...
