*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Lewis, J.R.R. Tolkien. and Anna Francis, a young Greek refugee looking to escape the grim reality of her new life. The night they cross paths, none suspect the fantastic world at work around them. Anna Francis lives in a tall old house with her father and her doll Penelope. She is a refugee, a piece of flotsam washed up in England by the tides of the Great War and the chaos that trailed in its wake. Once upon a time, she had a mother and a brother, and they all lived together in the most beautiful city in the world, by the shores of Homer s wine-dark sea. But that is all gone now, and only to her doll does she ever speak of it, because her father cannot bear to hear. She sits in the shadows of the tall house and watches the rain on the windows, creating worlds for herself to fill out the loneliness. The house becomes her own little kingdom, an island full of dreams and half-forgotten memories. And then one winter day, she finds an interloper in the topmost, dustiest attic of the house. A boy named Luca with yellow eyes, who is as alone in the world as she is. That day, she ll lose everything in her life, and find the only real friend she may ever know.
