Reviews

It is really an incredible publication which i actually have possibly read through. It really is writter in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jodie Wehner)

Check with the seller before completing your purchase. T his package includes the loose-leaf version and MyEducationLab(r) with Enhanced Pearson eText. An adolescent development text written for educators. The existing textbooks on adolescent development are predominantly written for undergraduate psychology majors and have little to say about what the theories and research mean for teachers in schools working with adolescent students. The key feature that guided the development of this book and that sets it apart from other textbooks on adolescent development is the focus on application of concepts to educational settings and the practical implications for teachers. From reviews of the text: This text conveys the experience of classroom teachers with many concrete examples, realistic vignettes, and helpful guidelines for what educators can do. The content is organized around many real-world issues and educational applications of the adolescent experience. The research support is comprehensive and current. Lynda Randall, CSU Fullerton The biggest strengths [of this text] are the focus on educators and how they can facilitate growth and development and enhance learning among adolescents. I believe this is an excellent text for educators Farah Ibrahim, University...
