THE CALIFORNIA VEGETABLES GARDEN AND FIELD A MANUAL OF PRACTICE, WITH AND WITHOUT IRRIGATION, FOR SEMI-TROPICAL COUNTRIES. -- . SECOND EDITION---REVISED AND EXTENDED. Dean and Professor of agriculture in the College of Agriculture of the University of California Director and Horticulturist of the Agricultural Experiment Station Author of California Fruits and How to Grow Them Editor of The Pacific Rural Press Member of the National Council of Horticulture, etc. Of the very appreciative reception which the public accorded to the first edition of this work and the urgent demand for its reappearance, it is deeply regretted by the writer that the present edition has been so long delayed. It seemed, however, unavoidable. The revision necessary to include later results of experience and observation and extension to fitly include the advancement of certain vegetables in commercial volume and importance and the methods of handling them, largely developed by local study and experiment, have required much attention. In fact, the revision of the work has required a repetition of the same effort which was invoked in its initial preparation, and for which the following claim was made in the preface to the First Edition There are very good reasons why the task of preparing such a book has been so long delayed. The subject is appalling in its intricacy. Conditions of soil and climate in California are varied to the last degree, and practice must vary with them. No matter how skillful and successful a man may be in his particular locality, his experience can only be a safe guide to those who happen to work under similar conditions. For this reason, though there have been admirable local writers on garden practice from the beginning, their writings, no...
