Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

THE YOGHURT PLOT

Hot Key Books. Paperback. Book Condition: new. BRAND NEW, The Yoghurt Plot, Fleur Hitchcock, Time travel, family, consequences and yoghurts. Oh, and gerbils. 'I don't want my life controlled by a fridge.' Humming in the kitchen of Bugg and Dilan's new home is a huge, mysterious fridge. Even when Bugg turns off the power, the light stays on. Plus, it's full of strange-looking yoghurts in glass jars with wax-paper lids. Should they? Shouldn't they? They do, but the yoghurts take them back to 1974. What follows is a desperate scramble across time and space, in which the siblings discover a 40-year-old time crime and become painfully aware that small changes they make in the past can have huge consequences for their future. Aided and hindered by go-for-it gerbil-fancier Lorna, they try to put everything back in order before time - and the yoghurts - run out completely. Another delightful, family-friendly adventure from the author of the Sunday Times Children's Book of the Week, SHRUNK!.
