Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the story of a computer robot, programmed to perform human jobs at the Texas Science Center. In the earlier stages the robot walked from room to room in the hospital taking vital signs of patients transmitting the records to the central nurses station. Later while Dr. Goggin sat in his office on the seventh floor of the hospital, he had George, named after himself, perform general surgeries. There was a serious dichotomy in George s personality. Only a diabolical or demented being would take body parts from someone else and then repeatedly try to justify that he could make better use of the body parts than the beggars who had them. Though George had sworn not to use illegal drugs, yet when swine flu broke out, he used marijuana and poppy No. 2. Put these drugs in the water supply a feeling of exhilaration in the victims feel better and they get better. In the country of Dubai where there was no marijuana, George used poppy No. 2. When the plague broke out at the military base. It helped soldiers get well, but it had the same effect as Viagra. Soldiers and marines quickly were made well but the country was too small for their libido. George with his demure and duteous personality represents many types of character traits of people who want to do good but many times create detrimental effects upon others and sometimes upon the community. Clearly George has an abnormal personality when he swears not to use illegal drugs but quickly turns to drugs and accidentally learns that when sick persons feel better they get better. No doubt the reason George turned...
