### **Reviews**

*This publication is fantastic. It is one of the most amazing publication i have got study. I am just pleased to explain how this is actually the best pdf i have got read through in my individual lifestyle and could be he finest publication for possibly.*

*(Mr. Kristoffer Hills)*

## MOROCCAN ARABIC - SHNOO THE HELL IS GOING ON H NAA? A PRACTICAL GUIDE TO LEARNING MOROCCAN DARIJA - THE ARABIC DIALECT OF MOROCCO (2ND EDITION)

Collaborative Media International, United States, 2011. Paperback. Book Condition: New. 2nd. 228 x 152 mm. Language: Arabic,English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Moroccan Arabic was written by a dogged student of the language (and a natural teacher) and it was edited by a native speaker and equally wonderful teacher. Finally, a straight-forward and easy to use primer for learning Moroccan Arabic - and now, new and improved in this 2nd edition. It incorporates reader suggestions and features more details on the transliteration system, additional words, new word lists, and the text has been completely revised and re-edited. Practical and witty, it's basically the equivalent of a VCR repair manual, just a bare-bones list of how to do the important things: here's the present tense, here's the future tense, etc, etc. In other words, it's a reference book with simple examples, none of the filler, and a few youthful surprises. It's just the kind of cheat-sheet everyone craves. Best of all, and unlike the others, everything is provided side-by-side in English, transliteration, and Arabic. And it uses a simple real-word transliteration system that is simply written the way things sound without the use of exotic linguistic symbols. It's the perfect book for everyone with an interest in contemporary Morocco: travelers, tourists, students, diplomats, business people, academics, artists, Peace Corp volunteers, Fulbright Scholars and student grantees, etc. Praise for Moroccan Arabic from students, scholars and travelers on both side of the Atlantic: Fills a gaping hole in Moroccan Arabic instruction. Based on the first-hand immersion experiences of a native English-speaker who navigated Moroccan culture and language for a year. and as a researcher in Morocco myself, I found it handy. --Nabil Khan, Fulbright Student Grantee I love the sense of humor woven throughout...
