A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Jan Meyers, (Chair of the Committee) presiding. Chair Meyers. Good morning. Today the Committee on Small Business will receive testimony on the President s fiscal year 1997 Budget proposal for the Small Business Administration. In addition, I have asked the witnesses to comment on the SBA s regulatory streamlining project. The Committee is very pleased to have Administrator Lader with us to lead off the testimony this morning. We will also be hearing from three of SBA s resource partners from our major capital and financing programs, the 7(a), 504, and SBIC Programs. The Administration s budget proposal for the SBA requests a budget-authority level of \$808 million in fiscal year 1997, as compared to an estimated funding level of \$590 million in fiscal year 1996, not counting supplemental appropriations that may be needed for disasters this spring. This proposal represents an increase of approximately 37 percent from current funding. This is a dramatic departure from the SBA s reinvention proposal for fiscal year 1996, which called for a dramatic \$220 million cut in the Agency. It seems to me...
