

The Secret Mothers' Club

By Joanne Fedler

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, The Secret Mothers' Club, Joanne Fedler, Based on true conversations with real women, "The Secret Mothers' Club" is a funny, irreverent and often heartbreaking look at women, friendships and motherhood. One evening in late June, a group of female friends get together for an old-school sleepover. It is a regular reunion for eight very different women, with very different lives, secrets and fantasies. The only unifying factor - they are all mothers. Be warned, you will recognise yourself and your friends within these pages - theirs are conversations we've all had: about our weight; our fantasies - sexual and otherwise; those school lunchboxes; mother's guilt; our partners; the endless struggle to balance work, housework, family and sanity; and the seemingly impossible task of deciding what to feed the family every single night of the week. This is a book about the delicate nature of mothering, the beauty and complexity of friendships, and the way in which women judge, but also support, one another.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
