Survival Guide for Beginners 20+ Helping Tips To Store Food And WaterYou will learn several significant things in this book "Survival Guide for Beginners". But the main focus of this book is on 20+ helping tips to store food water. There are numerous skills required for survival in the wilderness and obviously its not possible for and individual to learn all those skills. But still there are some skills that are very crucial to learn. The reason is that, if you will not learn then your survival become impossible. Food and water are two basic needs along with others. And the idea behind focusing on these two elements is that they give us life. You may remain safe without survival kit or other tools if you dont know how to use them. But contrary to it, you would not be able to live without water and food. So keeping this in mind we designed...
